

# ECO-Warrior News

15<sup>th</sup> November 2018

Our school

Eco-code is:

## WHICH BIN?

We have been talking about our food recycling and how it is very hard for Mr Hoy to do it if we put our rubbish in the wrong bins.

REMEMBER our Eco-Code is

.....

Please talk about the bins with your child.

What should go in each bin?

What sorts of things NEVER go in the green-lidded recycle bin?

PLEASE NOTE: We have moved the litter into the middle of the playground to make it more accessible.

## MODESHIFT STARS TRAVEL AWARDS

On Tuesday three of our Year 2 Eco-Warriors were lucky enough to have a trip into London to find out if we had won a travel award for our work on sustainable travel.

F & B are now proud to have been awarded Silver! Next stop.... GOLD!

Thank you for your continued support in helping us to achieve this silver award. Our events such as the Sawbo Travel Challenge, Spring in Your Step Day, Clean Air Day and our weekly travel trophy all help the children to have an awareness of active travel and the benefits of this on our health and the environment.

On Thursday in assembly we will share the details of our trip with the rest of the children.
