

ECO-Warrior News

7th March 2017

Our school
Eco-code is:

Well done to everybody who has taken part in ‘Wheels Week’ and ‘Bling your Bike’. We have seen a significant increase in the amount of children using their bikes and scooters:

	WB 8 th Jan	WB 21 Jan (Wheels Week)	21 Feb (Bling Bike Day)
Bikes	11%	30%	40%
Scooters	23%	66%	54%

We would like to see this increase continue during normal (non-promotion) weeks so to further encourage the use of cycles and scooters we will be taking part in The Big Pedal from 23rd April – 4th May. This is a national competition and every day we will upload our school data regarding bike/scooter use onto the national website.

We will also be looking into providing more cycle and scooter storage in our school grounds.

GREEN TREES SCHOOL AWARD

Today our Eco –Warriors met to discuss the Green Tree Schools Award. This is something we will be working towards over the rest of the school year. The Eco-Warriors

talked about the different activities we can take part in, in order to reach Gold. Each class will now look at the activities and decide which they would like to complete.

The children always benefit from time in the Conservation Area so if you have spare time to help out with these trips or any specific skills to offer, please speak to your child’s class teacher.

GREAT BRITISH SPRING CLEAN

Due to the snow day last week we will do our Great British Spring clean on Thursday (EYFS) and Friday (KS1) this week. Please let your child’s teacher know if you are available to help.
