

## Year 1

### Reception

### Year 2

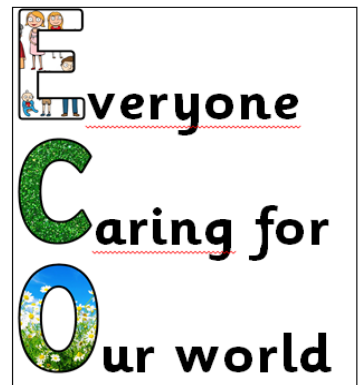

Hello.

**We are your new ECO-Warriors!**

Our school

Eco-code is:

Our job is to decide how to make our school a greener place. This term we have met with Mrs Smith to discuss our Eco-Code and have all reminded our classes what it is. Each class has decided on different things we could do to help our school to be eco-friendly. Some of our ideas are...

**Europe: Clean up if you see litter on the ground.**

**Asia: Don't waste fruit.**

**Earth: Don't park near the school**

**Africa: Keep the conservation area rubbish free to protect the animals.**

**Australasia: Try to walk to school. Only use 1 paper towel!**

**Antarctica: Reuse or recycle.**

## SAWBO TRAVEL CHALLENGE

Yesterday our Year 2 Eco-Warriors visited the Town Council offices to find out who had won the school travel challenge.

Well done to Mandeville who won the challenge this year!

We were proud to receive a special award for F&B as the most improved school since last year's challenge!

Well done to those of you who took part and who managed to come along to our Selfie Walk on the Saturday, which was a fun day out for the family. Our trophy and certificate are on display in the school library if you would like to see them.

**RECYCLING**

**Recycling that you can bring to school from home**

1. Batteries
2. Pens
3. Sweet Biscuit Wrappers
- 4 Ella's Kitchen food pouches (including baby food pouches, snack bags, wrappers and cereal pouches)

*Please make sure that any Ella's kitchen food pouches are completely empty before placing them in the recycling box.*

All of these are located in the school office. Remember pens, sweet biscuit wrappers and Ella's Kitchen pouches raise money for The Friends of F&B.
