It's a fantastic way to bring Parents, Carers, Teachers and the wider community together, in partnership with our school, and at the same time give something back. We hope to raise funds that can support and enrich the education of our children.

Your support is greatly appreciated and we wish you good luck

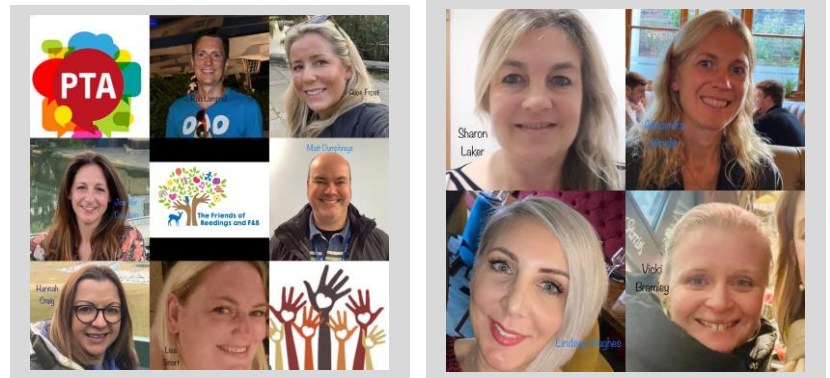

The Friends of Reedings Junior School and Fawbert And Barnard Infants School

Our new LOGO

The Friends of Reedings Junior School and Fawbert And Barnard Infants School is our parents and teachers association (PTA) running fun events and initiatives for our children whilst raising funds for our schools.

We have now completed the process of combining the school's PTA's so that we have one charity running for both schools to help streamline fundraising activities.

New Constitution in place

Combining the PTA's for both schools means we now have an updated constitution which sets out how the charity will run and what the committee and trustees adhere to. We are pleased to say that we have a strong team of 10 committee members all of which are legal trustee's for the charity. The committee all have equal rights and powers and vote on decisions made for the PTA. This updated constitution means we no longer require one chair person and therefore can make decisions as a collective team.

Support for the Sawbo May Fayre

Sawbridgeworth May Fayre is organised and managed by Sawbridgeworth Memorial Hall Trust.

The Sawbridgeworth May Fayre has been running for over 600 years and is a great community event.

A number of small businesses have stalls alongside the local schools PTA's. Funds raised on the PTA stalls are split between the participating schools for their charity.

As well as this there are arts & crafts, fun fair, live music, car show, food & drink and much more!

The Friends of Reedings Junior School and Fawbert And Barnard Infants school will be collecting sweet jars for the fayre on 9th March. This years Sawbo May Fayre is **30th April 2023**.

Expenditure update from Mr Wells – How 2022 funds are being spent

Over the half term, with funding from the PTA, we have been able to develop our conservation area and refurbish our pond! While the plants and creatures settle in and establish themselves we will continue to develop this amazing space.

Mrs Atukorala, our Outdoor Learning & Forest School Leader is working to further develop our learning beyond the classroom curriculum.

Thank you

Thank you to you all for your continued support.

A special thank you to all of the parents that have volunteered for various events so far this academic year. If you would like to get involved in upcoming events please highlight your interest on the relevant google forms or email us at fabpta@gmail.com
