

Notice Board

- If you have ordered it, Milk will be starting as of Monday 15th for snack time. If your child requires special milk, please bring this in as discussed at the parent meetings.
- A little reminder to say that we welcome family photos in from Monday 15th September please. The children will then be sharing throughout the week who is in their photo and who is special to them.
- Don't forget! We need wellies, spare uniform and PE kits in school. Some children are struggling to undo their trousers/shorts when they need the toilet. Jogging bottoms can be worn!

Physical Development

This week we will take a visit to our daily mile track. We will discuss why we do this, and some key rules of the track (e.g. everyone runs round it the same way!)

Communication & Language

We will have the chance to share our family pictures. We will talk about who is in our family, and what we do to show them we love them!

Expressive Arts and Design

The children will have the opportunity to access topic related activities on the craft shelf.

Maths

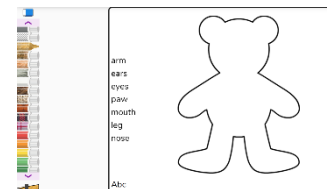

We will be continuing to sing some popular counting songs and introducing the subject of maths and numbers.

Why do you love me so much?

Computing

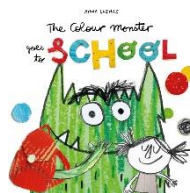

We will learn how to colour in on the computers!

Montessori

In this section, we will be sharing a new skill from Montessori each week.

Following on from last week's skill, this week is all about a variation for the knobbed cylinders. The child will take 2 of the knobbed cylinder bases, put them on a mat in an upside down 'v', lay out the cylinders in order or mixed order (depending on the child's level). The child would then trace the base and height of each cylinder with their finger, in view of finding the right hole on the base to put it back.

Literacy

We will be reading 'The Colour Monster Goes to School' this week and discussing how the colour monster felt and why. We will then be linking it back to how we felt/feel about different things in school.

Understand of the World

We will continue to explore our school and our new routines. We will go on a walk round the school, and find all the new and interesting parts!
