Notice board:

Show and Tell sessions

We will have our 'Show and Tell' session on a Tuesday and this will allow the children to share something from home related to our topic or some news about an achievement.

14th October - Gruffalo

21st October - Highway Rat

E-safety

Children really enjoyed learning from the 2Johns this week. At school, we have spoken about keeping passwords private and knowing what our personal information is (photo, name, birthday, address, location, etc). Children are now confident to say if they want to share personal information online they must ask a trusted adult first. Children are also beginning to understand that they need to ask for permission before sharing personal information of someone else (eg. photos).

Parents Evening

Please book your appointment via Arbor (If you haven't already done so).

Water bottles

Please only put water in bottles.

Maths

In Maths next week we will be adding and subtracting numbers within 20. The children will identify and represent numbers using objects and pictorial representations. They will read, write and interpret mathematical statements involving addition, subtraction and equal signs.

English/Topic

The children will continue with their RWI sessions. In topic the children will be designing and making their woodland animal. They will also have the opportunity to investigate why leaves change colour.

Home Learning

Talk Task: Please can you talk to your child the different woodland animals and the habitats they might live in. They could also think about the difference between a domestic animal's habitat and that of a woodland animal.

Maths Task: How many ways can you make 8?

Reading Task: Please ensure you read with your child every night and record this in their reading record. Please ensure they bring their reading books and record to school **every day**.

RWI: Here are the links for 'Special Friends' 'air' and 'ir'
