The Role of a School Governor

School governors play a vital role in the leadership and success of our school. They work as part of the governing board to set the school's strategic direction, hold leaders to account for educational performance, and ensure that public money is used effectively.

Governors act as a critical friend—supporting and challenging school leaders to make sure every child receives the best possible education. They also help uphold the school's values, represent the views of the community, and ensure statutory duties, such as safeguarding and inclusion, are met.

We are grateful to all parents who put themselves forward for election and for their commitment to supporting our school's continued improvement.

Many thanks,

Mr L Wells

Friendship Week

Next week (10th November - 14th November) is Friendship Week and this year's theme is: Power for Good.

This theme has come about following consultation with teachers, pupils and wider agencies. Teachers and children wanted a theme that empowered them to do something positive to counter the harm and hurt that bullying causes. In class, the children will do different activities to help them understand the importance of being kind and caring. It would be great if you can talk about kindness at home too!

Speech & Language Q&A Session

Sam Amos, our Speech and Language Therapist will be holding a Question & Answer session in school on **Wednesday 12th November 9am-9.30am**. This is open to all parents to attend. We hope to see you there!
