

## Notice Board

**Welcome back, we hope you had a lovely half term!**

- Please can you practice with your child getting dressed and undressed at home. The children are taking a long time to get changed and this is impacting the duration of their PE lesson. Thank you.

### Understanding of the World

We will be learning about woodland habitats and where woodland animals like to live. We will be looking dens, burrows and nests.

### Expressive Arts and Design

The children will have the opportunity to access topic related activities on the craft shelf.

### ICT

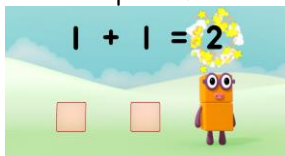

<https://www.purplemash.com/#app/pap/nature/poppy>

### Literacy

We will be continuing to segment sounds in simple words. Firstly by hearing the initial sound and then the middle and end. We will keep practicing our recall of letter shapes.

### Maths

Next week the children will be identify the 'whole' when shown 1 part of a familiar object. They will identify that the parts are still visible when they are assembled to make the whole. The children will hear the language of 'whole' and 'parts'.

## Why do squirrels hide their nuts?

### Montessori skill

This week's skill is from Knowledge and Understanding of the world. Puzzles foster a child's cognitive and fine motor development. They facilitate problem solving skills and encourage the development of spatial awareness. The animal puzzles encourage the exploration of animals and extend vocabulary.

### Communication and Language

We will be discussing Remembrance Day and why poppies are worn.
