

Notice Board

- Hats, scarves and gloves are welcome in the colder months. PLEASE name all items; it's impressive how quickly things go missing.
- Please remember that you can share photos and stories of what your child gets up to at home with us through Evidence Me. We love hearing about the trips they went on, the people they visited and the celebrations they had, and by sharing it with us through Evidence Me, we can start a conversation with your child that we not have had otherwise.

Physical Development

We will continue working with the children building their independence of getting undressed and dressed independently. This is in the form of jumpers, shoes and trousers at the moment.

Communication and Language

We will be discussing animals that hibernate this week. We will talk about what 'hibernate' means and why woodland animals hibernate during the winter. We will also explore how the woodland animals prepare for hibernation.

Expressive Arts and Design

The children will have the opportunity to access topic related activities on the craft shelf.

Maths

Following on in our numbers, we will be learning about number four. We will be carrying out activities to develop quick recognition of the number, and how it compares to 1, 2 and 3. We will be continuing to work on saying 1 number for one object. This is called one-to-one correspondence.

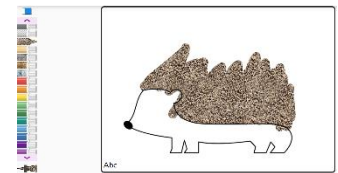

Why do leaves turn crispy?

Computing

We will be continuing to learn how to colour in on the computers! We will be making our own hedgehog pictures on the computer.

Montessori

This week's skill is from Practical life. Sweeping helps develop a sense of order and coordination. It strengthens the finger muscles and increases concentration. It encourages independence and teaches self-care.

Literacy

This week we will be reading 'Stick Man'. We will be learning key phrases from the book, and exploring key themes.

Understand of the World

Following on from our learning about autumn, this week we will be making a big autumn tree class collage. We will be talking about the colours of leaves on an autumn tree.
