

Notice Board

Diary dates:

- Reception 'End of topic' will be on Monday 9th February at 2.45pm. Details to follow.
- Please remember that **NO TOYS** should be coming in from home (e.g. toy cars). We do not want any toys from home to get lost in school. Thank you.
- Please remember to make sure your child's reading book and reading record is in their book bag everyday so we can read with them in school.

Understanding of the World

Next week we will be exploring floating and sinking after learning about boats. We will be predicting which objects float or sink and then testing the objects by dropping them into water.

Expressive Arts and Design

The children will have the opportunity to access topic related activities on the craft shelf.

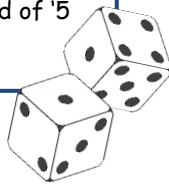

Are we there yet?

Maths

The children will secure their understanding of the pairs of numbers that make 5 using dice, and then use double dice frames to begin to explore 6 and 7 as numbers that are composed of '5 and a bit'.

ICT

<https://www.phonicsplay.co.uk/resources/phase/2/buried-treasure>

Literacy

Next week, we will read the Zodiac story, exploring why 2025 is the year of the horse!

Montessori

This week's skill is from Maths. The Sandpaper Numbers teach children the symbols that represent each number, allowing them to visually identify any number from 0-9. The Sandpaper Numbers are used to give children a tactile impression of the written numeral. The children trace the number with their fingers which helps develop their muscular memory.

Communication and Language

Next week we will be discussing Chinese New Year. We will explore how this is celebrated.
