Understanding of the World

Next week, the children will have the opportunity at end of topic to make their own little boats with you. They will have the option to use different materials such as corks, bottle tops and sponges and then test them on water to see if they can make them float.

Expressive Arts and Design

The children will have the opportunity to access Valentines related activities on the craft shelf.

Maths

This week the children will be encouraged to focus on the numerosity of sets, without being distracted by colour, shape or size. They will be encouraged to notice when quantities are equal or unequal, and will begin to consider how they can manipulate the number of objects in 2 sets to make them equal.

Equal or NOT equal?

Are we there yet?

ICT

Literacy

The children will have the opportunity to write Valentines cards.

Montessori

This week's skill is from Literacy. The pink captions teach children to read a string of words with fluency and comprehension. It also allows children to practice writing captions with finger spaces.

a red van

Communication and Language

Next week, we will be discussing Valentine's Day and thinking about the question, 'Who is special to me?'
