

Notice Board

Happy half term!

School opens again on Monday 23rd February.

After half term we will begin our new topic, 'Will you read me a story?' The children will focus on a different fairy tale each week.

Diary dates:

- PE kits will be sent home. Please remember to bring them back for the first week.

Understanding of the World

The children will take part in their memorable experience after half term. They will be making porridge, and observe how the consistency changes as it heats in a microwave. They will be extending their vocabulary thinking of words to describe the taste and texture.

Expressive Arts and Design

The children will have the opportunity to access topic related activities on the craft shelf.

Maths

A key focus next week will be to rehearse the order of the first 10 numbers and understand that the position that each number holds in our number sequence has a value of '1 more' than the previous number. Images of Numberblocks will be used, alongside the children's own fingers, to represent '5 and a bit' quantities.

Will you read me a story?

Literacy

The children will be writing apology letters to the three bears.

Montessori

This week's skill is from Understanding of the World. The Land, Water and Air jars are used to introduce the child to the various elements that make up our planet. There are three jars; one containing soil for land, one containing water and finally one filled with air. The jars are used in conjunction with picture cards to give example of the elements.

Communication and Language

The children will be making porridge for their memorable experience. They will be discussing their favourite toppings.

End of Topic

Thank you to everyone who attended our end of topic celebration for 'Are we nearly there yet?'

The children absolutely loved making their boats with you and testing them out!
