Year 2 Science Day

The new year 2 topic this half term is Much Mess and Mixtures. The children had a memorable experience where everyone had the opportunity to dress up as mad scientists and enjoy a day of fun experiments. We explored how M&Ms change colour with warm water and we even got to inflate balloons using a chemical reaction which occurs when you mix vinegar with baking soda.

"I want to be a scientist when I grow up!" Nathaniel.

"What you mean no RWI, just experiments all day! Thank you!" William

"Yes it worked!" Henry
