

## Notice Board

Soon we will be having our memorable experience. It is very exciting one this half term as we are having some eggs delivered... I wonder what will hatch out of them! If you know your child might be a little worried about the small furry bird that will hatch out, or any allergies when touching them when they do, please do let me know in good time so we are prepared. Thank you ☺

p-  
<https://schools.ruthmiskin.com/training/view/23981ezD/ZRei6ZdC>

### Understanding the world

We will be talking about the life cycle of a duck. We will look at each stage, and how the duck changes from egg to adult duck.

### Expressive Arts and Design

The children will have the opportunity to access topic related activities on the easel.

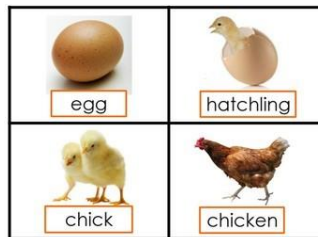

### Computing

The children will be playing 'Animal snap' on MiniMash.

### Are eggs alive?

### Maths

This week the children will be looking at size and length. Key words we will focus on will be big, small, bigger than, smaller than, long, short, longest, shortest.

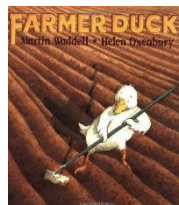

### Montessori

This week's skill is from Sensorial. The Knobless Cylinders refine a child's visual discrimination, specifically that of diameter and height. It will also develop a child's fine motor movements and hand-eye coordination.

### Literacy

We will be reading Farmer Duck this week, alongside our weekly story books and a secret reader!

### Expressive Arts and Design

We will start to learn our End of Topic Songs this week. We will be singing 2 songs - 5 little ducks and 5 little speckled Frogs.
