World Book day: Thank you for supporting World Book Day, we loved all the outfits and sharing of some new stories in class. The children were excited to meet our visiting authors and learn all about how they have been inspired to write books.

Sharing Books:

Please ensure all sharing books are returned to school as we change these on a Monday in Octopus and a Friday in Seahorse.

Maths

In Maths, the children will be looking at pictograms. They will learn how data can be sorted and represented. They will ask and answer questions about pictograms. The children will be using vocabulary associated with statistics including more, less, fewer and difference.

English/Topic

The children will be returning to their RWI groups to continue these daily sessions. In topic, children will draw their own imaginary zoo map including a key. They will continue their science learning by sorting animals by what they eat. The children will be supported by looking back at the many photos taken of signs during the zoo trip.

Talk Task:

Please can you ask your child to pick an animal and together find out its habitat and what it likes to eat.

Word of the Week for Topic: **Omnivore**

Maths Task:
