WISHING YOU ALL A WONDERFUL EASTER BREAK!

New Lunch Menu from 13/4/26 –Please [CLICK HERE TO VIEW THE NEW MENU](#)

We would really like to encourage all of our students to try and have a school meal each day. With the new menu starting after Easter, please look through the new options and see what your child may wish to try!

We are happy for children to order lunch and have a packed lunch in school as a back up if needed.

There is a roll option each day, along with a jacket potato option. The topping on the Jacket potato is optional and if your child would rather have the potato plain, this is not a problem. There is also a varied salad bar on offer every day for school lunch children to help themselves to.

The meals for all of our children (except Nursery) are free of charge and are funded for every student by the Universal Infant Free School Meal Government scheme - which we would encourage everyone to try and take advantage of.

DEXTER!

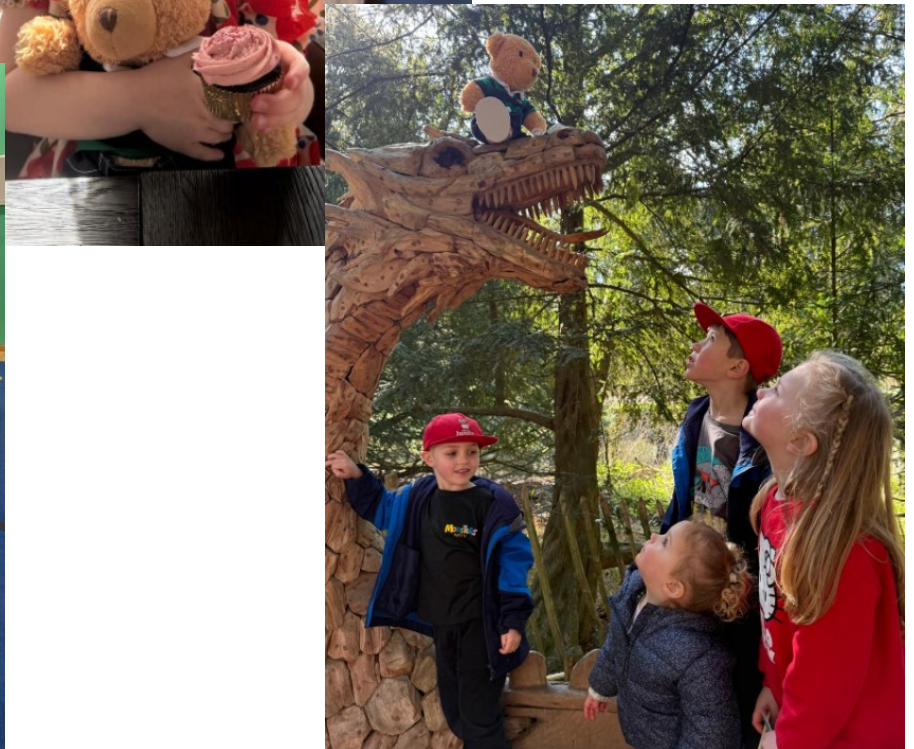

Dexter joined Matilda at gymnastics class on Friday evening. He especially enjoyed jumping on the trampoline.

On Saturday, we first went to a birthday party where we enjoyed celebrating and eating plenty of cake. Afterwards, Dexter came along and helped us with the weekly shop.

On Sunday, for Mother's Day, we visited the Enchanted Railway at Audley End with Matilda's family, including Nanna and the cousins.

Dexter had a very special moment when he even got to blow the steam train whistle at the front of the train! We all finished off the day together with a special roast dinner at home.

We have had the best weekend and hope Dexter has too!

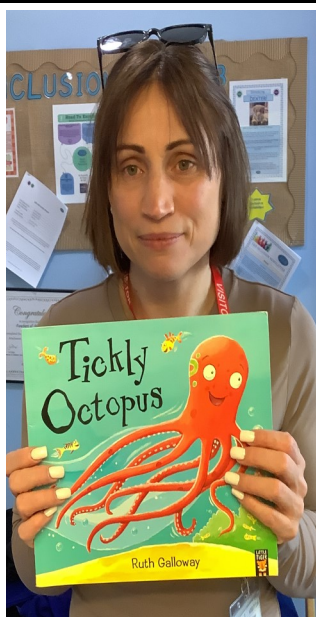

Aster enjoyed taking Dexter to Sawbridgeworth council. He sat in the mayors chair with a hammer called a gavel that the council use to start and finish town meetings.

On the way out we saw the Sawbobus and even got to sit in the driver seat. This is a community initiative, helping residents get around the town.

We also put Dexter to work, he helped Aster build new bedroom furniture. He also came to the shops with us to deliver flowers to our neighbour (it was her Birthday)

Children's Day Art Exhibition.

We are currently raising funds for a wonderful initiative at Fawbert and Barnard Infants School called "**The Nest**" – a nurturing space created for children with special educational needs. There is a growing need to enhance this space so that more children can benefit from it.

As part of this, we have introduced a few simple fundraising ideas connected to the exhibition:

- A **Facebook art auction** (already live), featuring three beautiful art pieces donated by artists – bidding is taking place in the comments. I will share the link with you. Bidding is starting from only £30

link to our Facebook- two of the auctions are pinned -3rd one is just below the two original posts - <https://www.facebook.com/profile.php?id=61574425010911>

(Two out of 3 artists are exhibiting internationally and their artworks are worth thousands...)

- A **£1 addition to each workshop** during the event, which will go directly towards supporting The Nest.- to book on our website artvibeworld.com
- A **voluntary additional contribution for the exhibition catalogue**, for those who wish to support further.- Catalogue available at the event- limited, only around 100 copies
