

## Notice Board

There is no School on Friday 22<sup>nd</sup> May as it is an inset day.

As we enter some warmer weather, please know that we are unable to put sun cream on the children. They will either need sun cream applied before school or try applying it themselves if they have any in their book bag. Please ensure they bring a sun hat and water bottle to school every day. Thank you.

Books are changed every Monday, Wednesday & Friday so please return the previous book on these days. Thank you.

### RWI

We will be reviewing some of the sounds we have previously learnt but need a bit more practice with.

On the next page please see the letter formation phrases we use to practice writing each sound correctly. We also use these to help us with our name writing.

### Understanding of the world

We will be naming and identifying different types of technology used at home, in school and all around us.

### Expressive Arts and Design

The children will have the opportunity to access topic related activities in the craft area.

How many colours  
in a rainbow?

### Computing

We will have access to a pairs game on Mini Mash.

### Montessori

The dustpan and brush activity is part of the **Practical Life** curriculum. Its purpose goes far beyond simply cleaning — it's designed to nurture a child's independence, coordination, and sense of responsibility.

### Maths

In Maths we will be learning about 3D shapes. We will explore their properties and think about which shapes have round and flat edges. We will be using 3D shapes in our play as we make towers and models with them.

### P.E.

Next week, we will continue practising for sports day. We will be focussing on different races such as egg and spoon and sack race!
