RWI

We will be reviewing some of the sounds we have previously learnt but need a bit more practice with.

On the next page please see the letter formation phrases we use to practice writing each sound correctly. We also use these to help us with our name writing.

Understanding of the world

We will be taking another visit to the conservation area and use binoculars to explore what we can see.

Expressive Arts and Design

The children will have the opportunity to access topic related activities in the craft area.

Computing

We will be painting colourful snakes on Purple Mash.

How many colours
in a rainbow?

Communication & Language

We will be introducing our new topic and talking about places they have explored over the half term.

Maths

In Maths we will be focussing on 'comparison'. We will be practising skills such as observing, comparing, sorting and reasoning.

P.E.

We will continue practising for sports day. We will be focussing on different races such as a bean bag race and obstacle course.
