

## Notice Board

- Sports day is on Thursday 18<sup>th</sup> June.
  - We will be visiting Southend Sea life centre on Tuesday 9<sup>th</sup> June. Please ensure the children have a **rain mac** with them, and a rucksack with a healthy snack and water bottle inside and packed lunch if you are providing lunch from home. They must have sun cream applied before they come to school, and have a cap or hat for our beach visit in the afternoon. Trainers are recommended. The children will need to be in school for 8:40.
- Thank you for everyone's offer of help for the trip. Helpers have now been contacted by the office. If you have not heard from us, you haven't been selected this time.

### Understanding of the World

We will be introduced to our new topic after half term, called 'Who lives in a rock pool?'

We will be visiting a sea life centre for our memorable experience, finding out all about different sea creatures!

### Expressive Arts & Design

The children will have the opportunity to access topic related activities on the craft shelf.

## Who lives in a rock pool?

### ICT

<https://www.topmarks.co.uk/learning-to-count/underwater-counting>

### Maths

The children will continue practice subitising within familiar contexts, a new focus will be on subitising beads on a rekenrek. This key piece of equipment will allow the children to continue to develop their subitising skills as they explore the structure of small numbers, while building a foundation for further work in Year 1.

### Physical development

We will be continuing to practise for sports day. We look forward to competing in different activities on the 18<sup>th</sup> June.

### Montessori

This week's skill is from Literacy. Blue box 1 introduces the child to words with initial double blends. The LMA highlights the patterning of the two red letters before the blue letter, followed by another red letter. As well as hearing the blend, the child also has a visual representation of the blend.
