

Notice Board

- Animal Encounters- Wednesday 17th June
- Sports day- Thursday 18th June (Please note we will send PE kits home on Tuesday - children to come into school in their PE kits please on the day)

hhomer@fandb.herts.sch.uk

RWI

We will be reviewing some of the sounds we have previously learnt but need a bit more practice with.

We will continue practising blending sounds into words using 'Fred Talk'.

Once the children have mastered 1) recognising all the individual sounds and 2) orally blending sounds into words, they will be ready to begin reading simple CVC words.

Understanding of the World

We will be talking about different ways to travel. We will think about the different transport we have been on and appropriate transport we can use to get to various places.

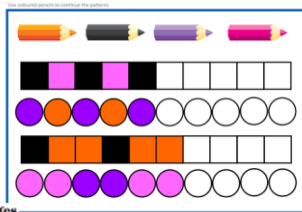

Expressive Arts and Design

The children will have the opportunity to access topic related activities on the craft shelf.

Maths

We will be recapping pattern. We will be making patterns in a variety of ways e.g. sound patterns, colour patterns and object patterns.

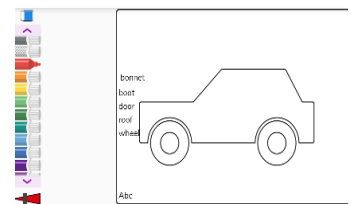

Can we explore it?

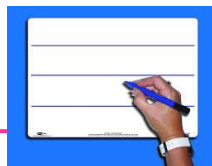

Computing

We will be creating our own car on the Purple Mash paint programme.

Literacy

We will continue to practice our letter formation every day. We use white boards and pens to form the individual sounds.

Physical Development

The children have been practising really hard for their Sports Day. They are really looking forward to show casing this to their grown ups 😊
