Read Write Inc.

We use the highly successful Read Write Inc. Phonics programme to teach our children to read, write and spell. Our children do very well in the phonics screening check in Year 1 and by Year 2, the majority are fluent readers with the best chance of success in their end of Key Stage assessments.

Through Read Write Inc we:

- ◆ raise standards in reading and writing for our children
- ◆ are trained by Ruth Miskin Training
- ◆ gain the latest programme updates through regular visits from our Ruth Miskin Consultant
- ◆ support our most vulnerable readers with extra one-to-one teaching.

Welcome to Fawbert and Barnard Infant School. We would like to take this opportunity to introduce the Parent Teacher Association (PTA) and give you some information about what we do. The PTA, also known as The Friends of Reedings and F&B, is a registered charity which is run by a group of parent volunteers. F&B and Reedings combined PTA's a couple of years so that we have one charity running for both schools to help streamline fundraising activities. We host various fundraising events during the school year, with all of the profits going directly to the school. **Our aim is to raise as much money as possible for the school and have lots of fun along the way!**

There are many ways that you can help and be apart of the PTA, giving as much time as you would like. Examples of this would be; forwarding whatsapp messages and emails, sending out reminders for events, spending time in school at events or helping to organise them. We are very mindful of the fact that everyone is so busy and we appreciate all the help that we receive. However we would like to remind everyone that we can only carry on running these fundraising events with Parent support so please consider joining in any way that you can. If you are able to support, have fresh ideas or are looking to join the committee please get in touch, we'd love to hear from you - fabpta@gmail.com
