MATHS

Next week the children will continue to review number within 20 and think about patterns and the properties of numbers as they get bigger up to and just over 100. They will represent numbers using objects and pictorial representations, including the number line, and use the language of: equal to, more than, less than (fewer), most, least.

English/Topic

In English, we will be continue with our RWI sessions.

In Topic, the children will continue their computing coding work. They will design their own background and insert objects. They will then program using code blocks 'object, action, event and execute'.

Home Learning

Talk Task:

Please can you talk to your child about who their favourite artist of the month has been? Can they recall the artists' style of work?

Maths Task:

$$1 + 4 + 2 = 7$$

Can you think of any other ways of making the number 7 with three number?

$$\square + \square + \square = 7 \quad \square + \square + \square = 7 \quad \square + \square + \square = 7 \quad \square + \square + \square = 7$$

Reading Task: Please ensure you read with your child every night and **record** this in their reading record.

Here are the links to the RWI special friends 'ee', 'oi' and **Speed Minutes with Maya**

You can increase the speed of the video by clicking the settings cog -> speed -> 1.25
