

Year 2 News Friday 26th June 2026

Notice board

Reminders

We are regularly practising our End of Year 2 show: Pirates vs Mermaids. Please continue to practise any lines your child has been given: focus on them saying the correct words, with expression and loud and clear. If your child doesn't know his/her words just yet, please send the words into school every day so they can use that in our rehearsals.

Please continue to bring in empty Pringle cans for making our lighthouses.

Land Ahoy!

Our current topic is called Land Ahoy: all about the seaside, oceans, boats, fish, the harbour, pirates and more. For show and tell we still welcome photos of the children linked to the topic: on the beach, on a boat, in the sea. They can be recent and/or old photos. Please email them to the class teacher and we will share them throughout this half term.

English

For English next week we will be learning about Captain Cook and the different jobs that pirates can have on a ship. We will be writing to Pirate Pete to apply for a job.

Maths

In Maths, we will be re-visiting written calculations. We will solve problems using written calculations and will try and spot mistakes in written calculations. We will then move on to numbers beyond 100!

Topic

Next week in Topic we will be using our Geography skills to learn about the Earth's oceans and seas. We will be using atlases and learning to compare the two.

Extra things to do at home!

- Remember to keep reading at home: magazines, newspapers, storybooks, information books AND our reading books.
- Please can the children log on to TTROCKSTARS and play some games on here?
 - To prepare for English for next week find out some interesting facts about pirates: <https://www.history.co.uk/shows/black-sails/articles/pirates-fact-vs-fiction>
Read any pirate stories, or stories with pirates, you may have at home.
