

Notice Board

- We are going to be having a teddy bear's picnic on Wednesday 15th July in the morning. Please see the separate Arbor in-app message sent on this. The children can bring in **one** teddy and **one** small snack to have. A gentle reminder that these must be nut free due to allergies!
- It is our End of Topic on Wednesday 8th July at 11am and 2.45pm. We look forward to seeing you then and sharing our learning from this half term.

hhomer@fandb.herts.sch.uk

RWI

We will be reviewing some of the sounds we have previously learnt but need a bit more practice with.

We will continue practising blending sounds into words using 'Fred Talk'.

Once the children have mastered 1) recognising all the individual sounds and 2) orally blending sounds into words, they will be ready to begin reading simple CVC words.

Understanding of the World

We will be talking about what creatures we may find under the sea, and the difference between life under the sea, and life above shore.

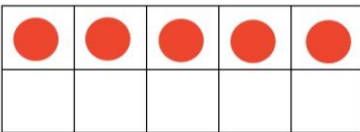

Expressive Arts and Design

The children will have the opportunity to access topic related activities on the craft shelf.

Maths

We will be focussing on the number ten. We will practice counting up to ten on our fingers. We will also be introduced to the tens frame.

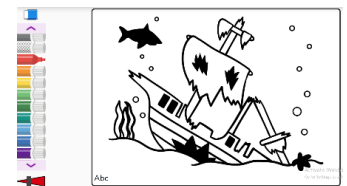

Can we explore it?

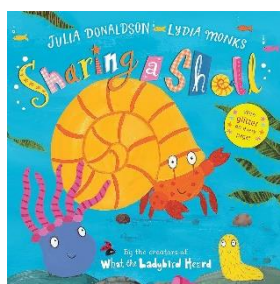

Computing

We will be creating our own shipwreck scene on Purple Mash.

Personal, Social & Emotional development

We will have a 'moving up' day on Thursday 9th July. We will meet our new class teacher, see which Reception classroom will be ours and find out our class names!

Literacy

This week we will be reading the story 'Sharing a Shell' by Julia Donaldson.

We will also take part in a short RWI assessment. The information gathered will be used in Reception so the children can start where they left off in Nursery. The assessment will include sound recognition, blending and reading simple CVC words.
