

Year 2 News Friday 3rd July 2026

Notice board

Reminders

Please make sure your child has his/her costume for the end of Year 2 show. We would like to do a dress rehearsal on Monday 13th July, but we have said that costume deadline is 15th so please don't worry if your child does not have theirs in before then. Thank you for all the costumes that have already made it into the classroom: we can't wait to start doing our dress rehearsals!

Please remember to bring in Pringle cans and clear yoghurt pots for making our lighthouses.

Don't forget to collect your leavers show tickets from the office!

Please continue to enjoy reading with your children daily!

On Thursday 9th July we will be spending most of the day in our new classes. This is yet another opportunity to transition well into the children's new school.

English

For English next week we will be writing a letter to a pirate captain asking him for a job! We will use pirate language and explain why we are best for the job! We will focus on using words such as 'because' and 'and'.

Maths

In Maths we are recapping on everything we've learned in Maths this year and focussing on some areas we might have found challenging e.g. subtraction with regrouping.

We will play Maths games on Purple Mash and TTRockstars and complete some end of term quizzes and challenges.

Topic

In Topic next week we will be exploring erosion in Geography. We will be learning about the Grand Canyon and the effect erosion has had on a significant natural feature. To understand erosion further, we will be doing an experiment with soil and water.

Extra things to do at home!

- Remember to keep reading at home: magazines, newspapers, storybooks, information books. We encourage the children to continue playing (and learning) with Numbots and TTRockstars, the children's log in details are inside the front cover of their reading records.
- There are some great ideas for the summer holidays for families here:
