Notice board:

We would like to take this opportunity to welcome you all to the start of the Autumn Term in Year 1. The children are settling in well and getting used to their new routines. Please assist us with this by looking at the dinner menu with your child BEFORE they come into school in order to make our register time flow more smoothly! The menu is on our website.

School Library

The children get to visit the library on a Thursday afternoon. If you are interested in volunteering to help with taking children to the school library please email Mrs Brennan or Miss Hills or let us know on the door. Thank you.

P.E. Days – Monday pm; Wednesday pm

Please ensure children come to school wearing their PE kits. As the weather gets cooler you may wish to send them in wearing black joggers or leggings.

Outside Areas

With our Topic being 'Enchanted Woodland' we are going to spend quite some time in the outside area so could you please make sure your child has a suitable labelled coat with them every day and labelled boots have been brought in to keep in a bag on their peg.

Drinks bottles

Please ensure your child's water bottle is labelled and that you return it refilled the next day.

Reading Books:

Please ensure children bring their reading books with them every day.

Maths

Next week in Maths we will be exploring patterns and numbers to ten. The children will be focusing on subitising, number patterns, counting and comparing. They will also be exploring ten frames within both the classroom and learning garden.

English/Topic

The children will continue with their RWI sessions.

In Topic next week the children will be designing, their own fairy gardens where they will label them and get the opportunity to build them in the learning garden.
