

Notice Board

We hope you have been enjoying sharing books at home with your child. Sharing books are changed every Monday, Wednesday and Friday.

This week, the children were excited to find out which Minibeast Group they belong to! They sit with their group at fruit time and during their morning Finger Strong activities. Ask your child if they are a Snail, Ladybird, Caterpillar, Butterfly or Bumblebee. Can they tell you who else is in their group? 🐌 🐞 🐛 🦋 🐝

Physical Development

The children will continue to have P.E. sessions with Ms Saunders on a Thursday morning, and with Mr Cooper on a Friday afternoon. This week the children will be practicing their coordination skills through pirate games!

Maths

Following on from learning about zero last week, we will be introducing the number one this week. We will be talking about what it is and how many it shows.

Literacy

This week we will continue some simple RWI (phonics) games. We will hear about Fred's trip to the farm in "Fred-talk" and try to work out what different animals he has seen by listening to the sounds. A c-ow? A p-i-g? Or maybe a ch-i-ck?

Expressive Arts and Design

The children will have the opportunity to access topic related activities on the craft shelf.

Why do you love me so much?

Computing

We will be continuing to learn how to colour in on the computers!

Montessori

In this section, we will be sharing a new skill from Montessori each week. The children will be looking at the colour boxes this week. Through the colour boxes, we learn some of the key colours, and spot them in our environment.

Communication and Language

We will be reading 'Babies don't eat Pizza' by Diana Danzig. Through this book we will be learning and celebrating the diversity in families.

Personal, Social and Emotional Development

This week we will have a Circle Time when we think and talk about what makes each and every one of us so special. We will also be learning and singing the "I am special song" with Gerald the giraffe.
