

Nursery News

Date: Friday 6th November 2026

Notice Board

- Hats, scarves and gloves are welcome in the colder months. PLEASE name all items so that they don't get lost.
- On **Wednesday 11th** we will be taking our first trip to the conservation area. Please make sure your child has appropriate warm clothing on the day.
- Next week is Remembrance Day. The children will be making poppies to add to our special Remembrance display.

Physical Development

This week we will be starting our new P.E. topic. This week we will be "On Safari" practising our running and stopping skills as we tip toe past snakes, duck under trees and run from lions!

SCARF

In our PSHE SCARF lesson this week, we will be thinking about the ways that we are similar and different to our friends, just like Elmer the elephant. This helps children develop empathy and understanding of others.

Expressive Arts and Design

The children will have the opportunity to access topic related activities on the craft shelf. The theme for this week's crafts is Remembrance Day and Autumn nature

Maths

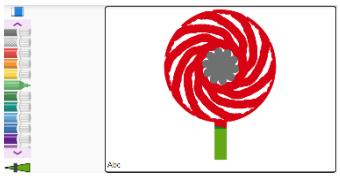

Following on in our numbers, we will be learning about the number 5. We will be carrying out activities to develop quick recognition of the number, and how we can build it using 1 and 4 or 3 and 2. We will be continuing to work on saying 1 number for one object. This is called one-to-one correspondence.

Why do leaves turn crispy?

Computing

We will be continuing to learn how to colour in on the computers! We will be making our own poppy pictures on the computer.

Montessori

This week's skill is from Knowledge and Understanding of the world. Puzzles foster a child's cognitive and fine motor development. They facilitate problem solving skills and encourage the development of spatial awareness. The animal puzzles encourage the exploration of animals and extend vocabulary.

Literacy

On Monday we will be playing Eye Spy with Woodland animals. This game helps us to hear and say the initial sounds in words. B-b-badger! F-F-fox!

Understanding the World

This week we are taking our second trip to the school conservation area for our memorable experience! We will be looking out for signs of autumn and collecting leaves for our sensory kitchen.
