

F&B NEWSLETTER

Summer Term: Tuesday 4th July 2023

This week is 2 of the dinner menu

Hello

As we head into our final few weeks of term, we have two goodbyes to share. Sarah Evans, current Chair of Governors and Lesley Hines, who have supported the school for 16 and 12 years respectively are stepping down from their roles.

Being a governor is a significant and meaningful role to which helps hundreds of pupils, staff and families ensure the quality of education they receive I am sure you will join me in sharing our appreciation and heart felt gratitude to their commitment and service.

ART Week!

Last week, all pupils explored different art forms, styles and techniques from Ukraine. Each year group then created an art piece based on one of the styles. On Friday 30th June, we opened the school up for all parents to view the art works from your child's class but also the work of the other classes. We did this as a charitable event to raise awareness and money for Education Services in Ukraine. We raised: £203 Thank you. Photos can be found further in the newsletter

Topic Webs: At F&B we appreciate that a significant amount of learning happens each half term and even with the newsletters and our pupils going home and sharing there might be aspects of their learning you are not aware of. To address this the teachers have worked hard to develop an overview for each half term covering each subject, key knowledge and an example of key vocabulary. This has been produced from Nursery to Year 2. These are all available on our website by clicking here. We will also email you them at the start of each term so you know what the half term has in store. We have also provided key word flash cards which are available for download by clicking here.

Parent Workshops: If you have attended and wish to leave any feedback please complete the form [here](#)

- **History Workshop** with Miss King, recording only (available in due course)
- **Music workshop** : **In person** and practical workshop with Mrs Atukorala on **Wednesday 5th July at 17:00**. You will explore Charanga and how we play instruments including improvising and composing. You will see a summary of how other music elements are experienced in school like singing, performances and what it may look like in EYFS. **Please book on via Arbor**
- **Design and Technology workshop**: **In person** and practical workshop with Miss Ancient on **Tuesday 11th July at 17:00**, Find out how DT is different to art and how designing and making helps your child with their learning. You will have the opportunity to take part in and discover some activities and skills you could try with your children at home. **Please book on via Arbor**
- **Computing Workshop**: Hosted by 2Johns, **Monday 17th July at 17:00**: it will take parents through the common and frequent trappings of technology, how to keep children safe and reduce the risk of harm

Montessori: This week's skill is from Literacy. Blue box 4 contains double consonant diagraphs such as 'ck' and 'll'. The child reads the word and matches it to the corresponding picture card.

Mr L Wells, Headteacher

AllSorts

The penultimate Year 2 group attended AllSorts last Thursday with Mrs Potma and Mrs Jones.

They were fortunate enough to complete not one, but two craft activities - stain glass pictures and bumble bee & ladybird decorations!

Mrs Jones has now had the pleasure of attending lots of the sessions, and every single time is amazed by the level of maturity shown by the children. The sessions are always calm and focused, but still manage to have an element of 'cheekiness' (coming from both the children and the grown ups!) to them.

When considering the concepts of inclusion and community, something we pride ourselves on at F&B, there is nothing that encompasses this better than our trips to AllSorts, and we feel so fortunate to be a part of this.

Art Week: Ukraine

Thank you to everyone who attended the Art Week: Ukrainian Exhibition. The work and art skills explored and produced over the week was wonderful. The pupils thoroughly enjoyed being able to tour the school with their adults.

Upon entering the school you will have seen the painting of two parrots by Marcel (Y5 Pupil at Reedings) We were thrilled to showcase a wonderful past pupils talent, especially where the subjects were of Ukrainian colours. We had two visitors from (CHURCH) to view the art work and choose best in shows from each class!
