## Understanding of the World

Next week we will be recapping all of the exciting learning we have done over the topic. We will recall some of the facts and knowledge we have learnt.

## Expressive Arts & Design

The children will have the opportunity to access topic related activities on the craft shelf.

## Maths

The children will be playing some fun maths games to recap key skills taught this year.

## Personal, Social & Emotional

We will continue to have lots of discussions about the transition into Year 1.

## Physical development

We will enjoy the gymnastics apparatus next week, practising to climb and navigate our way round the climbing frame.

We would like to say a HUGE well done to each and every one of you. It has been a wonderful year, full of exciting learning. We have enjoyed trips to the conservation area, various animal visits, a trip to the aquarium and beach. We've secured our counting skills and learnt to blend and read words! We've watched you grow, not only in height but also as lifelong learners. Thank you Reception for such wonderful memories.

We wish you all the best in Year 1!

Lots of the love,  
The EYFS Team xxx
