Notice board:

Show and Tell sessions

We will have our 'Show and Tell' session on a Tuesday and this will allow the children to share some news or something from home. **This should be one item that is related to our woodland topic or an achievement.**

Jumpers, cardigans and coats

As the weather is now turning autumnal, can we please ask that you name all jumpers, cardigans and coats? This helps us ensure they return home to you.

End of Topic Celebration

Please save the date and join us for our end of topic celebration for The Enchanted Woodland on Thursday 19th October 2023 at 2:30 - 3:00pm.

During our end of topic celebration, you will have the opportunity to be involved in arts and crafts with the children. They will be making their fairy doors and using clay to make bog art. Please be aware due to limited space in classrooms we ask only one adult to attend from each family.

Parents Evening

Please book your appointment via Arbor (If you haven't already done)

Maths

In Maths next week we will be adding and subtracting numbers within 20. The children will identify and represent numbers using objects and pictorial representations. They will read, write and interpret mathematical statements involving addition, subtraction and equal signs.
