Notice board:

Show and Tell change:

As of next week, we will be asking children to show and tell something related to our 'Moon Zoom' topic. This may also be an achievement such as rainbow badge or swimming certificate etc. Please note that show and tell is optional. As we would like to provide more of an opportunity for question and answers, we will be limiting each week to one group of children. The first group will be the Highway Rats. Please look in your child's reading record to find out which group they are in.

Poppy Appeal

Year 2 children will be going round the classrooms each afternoon from Monday until Friday 10th November. If your child would like to buy a poppy or something else (they have reflective keyrings / wristbands etc), please send in a suggested donation of 50p—£1 in a named envelope in your child's book bag.

Planetarium visit

The children had a wonderful experience and were able to learn lots about space and our night sky! Perhaps they could look for the 'Sauce Pan' constellation on a clear night.

Maths

In Maths the children will be focusing on comparing more than one quantity through 1:1 correspondence and finding the difference. They will use this to find 'how many more, fewer or less'.

English/Topic

The children will continue with their RWI sessions. In topic the children will be exploring materials and sorting them into different groups. We will also begin looking at Yuri Gagarin (the first person to travel into space) and Neil Armstrong.

Home Learning

Talk Task: Can you talk to your child about how they would feel if they were to travel into space. What would it feel like to land on the moon? What would they take with them to visit the moon.

English Word: Adventure

Topic Word: Astronaut

Maths Task:

<https://www.topmarks.co.uk/maths-games/hit-the-button> Your child can play this game to practise their number bonds to 10 by clicking on the other number that makes 10 e.g. 2 and 8.

Can they then find all the possible ways to make 10? Can they find 3 numbers that would total 10.

Reading Task: Please ensure you read with your child every night and record this in their reading record.

RWI: Here are the links for special friends 'oy' and 'ou'
