

Notice Board

- Unfortunately, the flu vaccinations were not able to take place. We hope this can be rescheduled for the future - we will keep you informed.
- The children will be making Christmas lanterns next week which will be displayed in Great St Mary's Saturday 25th November. The church will be open on the 25th for you to view the Oasis of Calm exhibition and the children will be able to spot their lanterns.

Understanding of the World

Next week is Geography week. Each class will be learning about another country/ part of the world. We will be making comparisons to our country.

Expressive Arts and Design

The children will have the opportunity to access topic related activities on the craft shelf.

Maths

Next week we will continue to underline the purpose of counting - to find out 'how many' objects there are altogether. We will further practise 1:1 correspondence, by counting numbers at the same time as moving or tagging objects.

Why do squirrels hide their nuts?

ICT

<https://www.phonicsplay.co.uk/>

Literacy

Next week, we will continue to practice segmenting to spell. We will label a woodland scene with simple CVC words.

Personal, Social and Emotional Development

Next week, we will begin our rehearsals for the Christmas show. We will work on our confidence to stand on stage and deliver our lines in a big loud voice.

Communication and Language

The children will be making comparisons between two places as part of Geography week.

Montessori

This week's skill is from Knowledge and Understanding of the world. Puzzles foster a child's cognitive and fine motor development. They facilitate problem solving skills and encourage the development of spatial awareness. The animal puzzles encourage the exploration of animals and extend vocabulary.
