### Understanding of the World

The children will be identifying and sorting different materials. They will be focussing on wood, glass, fabric, metal and plastic.

They will have the opportunity to investigate magnetic and non-magnetic materials.

### Expressive Arts and Design

The children will have the opportunity to access topic related activities on the craft shelf.

### Maths

Next week, the children will begin to develop their own 'mental number line', as well as the ability to understand which number is more than or less than another.

3 < 4

Will you read me a story?

### ICT

[https://www.purplemash.com/#app/pap/fairystories/3\\_pigs](https://www.purplemash.com/#app/pap/fairystories/3_pigs)

### Literacy

Next week will be focussing on the story of 'The Three Little Pigs'.

### Montessori

This week's skill is from Practical Life. Pouring activities teach children to pour from jug to glass. The children begin pouring dried objects such as rice/beads, before moving onto liquid. Pouring tasks help develop fine motor skills and hand-eye coordination. It indirectly supports math concepts such as less and more, supporting their visual discrimination.

### Physical Development

The children will be sewing a running stitch on hearts for Mother's Day.

### Communication and Language

The children will be sharing their favourite stories on 'World Book Day'.
