

Reception News

Date: Friday 22nd March 2024

Notice Board

A gentle reminder that as we are a healthy living school the children's water bottles they bring into school should have water only in them, no squash thank you.

Diary dates:

- Reception End Of Topic - **Tuesday 26th March at 9:30am**
- End of Term - **Thursday 28th March - School finishes at 2pm**

Understanding of the World

Next week we will listen to the Easter story. We will recap who Jesus is, making links back to the Christmas story; the birth of Jesus. We will look at some important Christian symbols, such as the cross.

Expressive Arts and Design

The children will have the opportunity to access Easter related activities on the craft shelf. We will also be making Easter cards.

Maths

Next week the children will explore the composition of numbers within 10, focusing on the 'special case' of when 2 equal parts combine to make a whole. The children will first use their skills of comparison and identify when 2 sets are equal or NOT equal. They will begin to recall some doubles facts when an image or physical resource is not available to support them.

Will you read me a story?

Communication & Language

Next week we will be discussing how people celebrate Easter.

Montessori

This week's skill is from Maths. The teens board introduces the child to quantities 11-19. The child learns to connect the quantity with a symbol, as well as sequence teens numbers correctly.
