

F&B NEWSLETTER

Summer Term: Monday 17th June

We are on Week 3 of the lunch menu

Dear Parents and Carers,

We have had a very busy couple of weeks at F&B—we hope you enjoy reading and seeing all about it in this weeks newsletter!

Parent Fundraiser!

Please see below message from one of our wonderful Reception parents who is fundraising to support The National Autistic Society:

I will be taking part in the Royal Parks Half Marathon this October to raise money for The National Autistic Society. All money raised will help support Autistic adults and children in UK, their families, and their carers. Along side monetary donations I am also collecting donations of good condition clothes and toys to sell on my dedicated Vinted page. Details can be found here. Thank you!

Year 2 Southend Trip

Reception had a wonderful time visiting Southend Seaside centre to kick start their new topic 'Who lives in a rock pool?' They saw a vast number of sea creatures which has given a good foundation to build upon during the rest of the topic. In the afternoon, the children explored the beach. They looked for shells and crabs, and some children chose to build sandcastles and rock pools. It was a brilliant day which was most definitely enjoyed by all!

Despite the rainy weather, Walk to school week was a huge success! This year we chose to link our Walk to School displays to Maths. Each class explored different ways to represent numbers. Thank you to everyone who participated. Walking, cycling or scooting to School reduces car use which then supports the cleaner air campaign.

Fortunately the weather held out for us and we have all had such a great day.

I am sure the children will tell you all about it, but just in case they need any prompts here is some of what we got up to:

- Meeting a pony: all of the children had the chance to go into the paddock and stroke a pony; - Meeting a pygmy hedgehog - this seemed extra special given the name Hedgehog Class!; - Having the chance to stroke and meet Lion (do not let the name fool you, Lion is in fact a rabbit! - Going on the little train (and because the children were so well behaved the train driver let them go round one extra time each too!) - Visiting all of the other animals at the farm including Alpacas, Llamas, Donkeys, Otters and Meerkats.

I would like to say an extra special thank you to Mrs Sarjeant and Mrs Burton for all of the work they put in to preparing the trip, and all of our parent volunteers who made sure everything ran so smoothly on the day.

Dexter!

Theo loved having Dexter over for the weekend!

Friday after school he went to the park and then watched Theo have swimming lesson. Then on Saturday he enjoyed playing the garden. Then on Sunday he helped celebrate father day and enjoyed a forest walk then he got a nice early night ready for school on Monday!

Thank you so much for letting Theo have Dexter he loved it so much!

Sports Day!

A huge well done to all of the children for their amazing participation in sports day at Reedings Junior School on Wednesday 5th June. It was wonderful to see the children from all year groups enjoying the day (with so many smiling faces!). The children tried very hard in their team's and persevered if they found a race tricky. There had been lots of practise in PE lessons over the last few weeks and I think we can all agree that the children did a fantastic job and made us very proud! I was very impressed that so many of the children were able to complete the different races whilst waving to their parents (including during the egg and spoon race!).

Sports day is an important day for children to be able to apply their physical skills, further develop their understanding of competition and demonstrate good teamwork and sportsmanship. We particularly enjoyed seeing the children cheering for everyone in their teams, no matter where they placed. Thank you to all of the parents and carers who were able to attend, it helped to create a lovely, positive atmosphere for the children to participate in their races.

F&B Community Day!

Thursday 29th August

10am - 2pm

To carry on keeping our school looking wonderful, we will be holding a community day on Thursday 29th August 10am - 2pm at F&B.

We would be so grateful if parents/family members would be able to spare a little bit of time to drop in and help to paint the rest of the planters around the school, maintain them and possibly help with a couple of other small tidy up projects.

Any amount of time you could give, would be very much appreciated.

There will be light refreshments available.

If you would be able to volunteer on this day, please let the office know so we can gauge numbers.

We would be very grateful for your help!

On Saturday 9th June some of the boys in Year 1 played in their first football match together at Sawbridgeworth Football Club. The match was against Hatfield Broad Oak and it was a very exciting game to say the least. The final score was 4-3 to the F&B team and it was fantastic to hear how the boys came together as a team and how well they conducted themselves throughout. They showed great sportsmanship and were a credit to themselves and to F&B. They will be having some more friendly matches over the summer period preparing for the start of the season in September so watch this space! We wish them the best of luck!
