

Year 2 News - Friday 25th October 2024

Notice board

Reminders

Next half term our topic is: Beat, Band, Boogie! All about music, instruments, artists etc
If you (or someone you know) plays an instrument well we would welcome you (or them) into the classroom for the children to hear a range of instruments being played,
Please email us to arrange this.

Please remember to keep reading with your child regularly and record it in the blue reading records.

Our PE days will continue to be Mondays and Thursdays.

We enjoyed catching up with you during parents evening. We wish you a lovely half term !

English

Below is a link for the BBC 500 words competition, which encourages children of abilities to get imaginative and write a short story. Spelling, punctuation and grammar are not marked – its all about creativity! You can find all the details and how to submit stories on the BBC website below:

<https://www.bbc.co.uk/teach/500-words/articles/zctk7v4#zbx4jfr>

Maths

In Maths we will move on to looking at amounts of money the week after half term. We will learn to recognise the different coins and make different amounts with them. We will be solving word problems involving money too. Maybe your child can practise counting with some coins during half term? Or pay for something in cash at the shops together?

Word of the Week: **Amount**

Topic

After half term, we will introduce children to their new exciting topic 'Beat Band Boogie. We will explore musical instruments, sounds and rhythms and the children will make their own balloon drum. For our memorable experience, Year 2 will have some special visitors who will show the children how to make music.

Word of the Week:
Rhythms

Home Learning Tasks

Topic: If your child would like to explore more activities on our Topic from this half term, have a look at some of the videos on this website: <https://www.english-heritage.org.uk/learn/teaching-resources/>

Maths Please continue to use Numbots and TTRockstars throughout half term if the weather doesn't improve! ;-)
Also have a go at some online games for 10 more and 10 less for extra practise.
